OUR PRODUCTS

We are a Mexican company that processes and markets fresh and frozen avocados in different presentations according to your needs, with high standards of quality and safety standards, following good manufacturing practices and HACCP.

FRESH AVOCADO

The freshness of the field in your hands. Fresh avocado for all destinations, in the presentation of your choice.

Avocados are versatile and enhance any dish, whether in salads, guacamole, or on toast, providing a refreshing burst of flavor for your culinary adventures.

FROZEN

Utilizing Individual Quick Freezing (IQF) technology, our frozen products maintain cellular structure, effectively preserving the texture and flavor of fresh foods.
